Don't you dare do it! I think you won't. Sylvia, I wish you much happiness and success in the future. I hope you'll continue to make good use of the mental ability you possess.

I've enjoyed teaching you, and enjoyed the extra-curricular activities with you Seniors.

Sincerely,

Ruth Lizer

Best of luck to you always.
Dorothy

Don't ever forget our last basketball game!
Sara

I shall always remember you as the girl who was so kind as to lend me her piano when I couldn't get ours better on our night.

Here's to you Irene alias Sylvia. Didn't we have a real play? Remember me as a friend.
H. D. Haurlette

I wish you all the best of success and happiness and don't forget the wonderful moments we've had.
Edward.

I'm school but is drawing near
and will I be sorry I'll say
for you'll have no one to wash
the dishes but you'll always
have me to remember you the

THE FAREWELL

We have striven
To finish
And leave behind
Happy memories

We have worked
And hope
Only to recall
Tender memories

I wish you
the best of luck
in anything
you may undertake.

Sylvia, I have enjoyed
every moment with you
Remember me
always
Anne

Sylvia, now that the
time has come when
we must part, I hope
that you will never
forget the happy hours
we have spent together.
I take it for granted
that if you do think of
me you will remember
that sometime I do prove
a friend in time of need.

Love,
Becky

Sylvia, may
you never
forget "Lab"
day in Chemistry
and even many
many other happy
hours together.

Dear Syl,
Can you ever forget
the grand times we've
had in N.E.M.V.S. and out!
Anyway, I hope we'll always
remain the "true friends" that
we've been for the last eleven
happy years.

Best of luck,
Rachel

Sylvia, don't
think because
I have not taken
so much interest
in our parties that
I don't love you all
equally. I do
love you. Best luck
to you.
Dorothy

Syl, always remember
the hours we've spent
together complaining and
making Hi. de HA.
Best of Luck,
B.H.N.
